The garden is very large nearly 4000 sq.m. with fruit trees and nice setting area. There has relaxing setting area for food and drink, fireplace and BBQ.. There has a well too. That is perfect place to enjoy your holidays in Bulgaria. For sale with everything included in the price! Berkovski is a village in northeastern Bulgaria, it is located in Popovo municipality, Targovishte district. It is located at about 370 meters above sea level, 18 kilometres south of Popovo and 27 kilometres west of Targovishte. The area is hilly. The village is located by the river Golyama Reka, on which the dam Yastrebinovo was built. About 3 km from the village passes the railway line Sofia-Varna. Asphalt roads connect it with the town of Popovo, the town of Antonovo and the town of Omurtag. For the first time the name of the village appears in Turkish tax registers from 1524. In the village there are many beautiful houses, unique monuments of the Tryavna building tradition, ancient settlements, mound necropolises. An eco trail has been built along the Golyama River. There are conditions for hunting in the forests.
